

UPDATED BISNY UNIFORM SUPPLIERS APRIL 16TH 2007

1. SCHOLASTIC:

www.scholasticsschooluniforms.com
Tel: 888-469-9911 or 973-643-9300

Can be ordered either online, on the phone or at his travelling 'shop' which he will bring to school on Sept 5th 2007.

The bulk of our uniform (except blazers & track suits) will remain with Arthur at **Scholastic**, as his prices are good, he is willing to do short runs (difficult to negotiate at many places with such a small school) & he has met a number of our demands (100% cotton sweaters/cardigans/polos being one).

You may buy shirts/blouses, trousers/shorts from either **Scholastic** or **Lands' End** – depending on your personal preference for fabric – Arthur continues to offer either 100% poly or poly/cotton blends whereas **Lands' End** offers 100% cotton – this is entirely your choice!

2. LANDS' END:

Can be ordered either online or on the phone.
www.LandsEnd.com/school
Tel: 1-800-469-2222

Arthur will no longer supply our red track suits. From now on we will get our red track/shell suit from Lands' End. Their garment comes in smaller sizes (that Arthur could not provide) & has reinforced knees. The track jacket is the **ONLY item that requires a logo (logo #: 0712670K)**.

When ordering from **Lands' End** on line please be sure to enter our **preferred school code** into the prompt box: **9001-1889-4**. If ordering by phone – mention the same code to the operator.

This code is exclusive to BISNY & ensures that the school will receive their discount & more importantly the correct logo will be printed on your track jacket. Logos are not required on track bottoms or turtle necks & are **not allowed** on shirts/blouses. Please see the note above (in **Scholastic**) regarding shirts/blouses, trousers & shorts.

3. UNIFORM 4 KIDS/BISNY PA

Can be bought through the BISNY PA from September 2007. Arthur will no longer supply our blazers – we felt that the quality, cut & fit was a lot better from **Uniform 4 Kids** so decided to switch to this UK based company (who supplies Abercorn).

You will not need to deal directly with this company. It is our intention to ship a bulk order of both plain grey blazers, navy duffels & plain black swimming costumes for boys & girls in all sizes, over the summer & keep the stock in school. The PA will be responsible for selling/stocking these items & at some point having gently used sales.

Current prices for these items are listed on the PA bulletin board. To reiterate – the navy duffel is optional but the grey blazer is compulsory & is to be bought when your child grows out of his/her current blazer. The PA will also sell the girls' scrunchies & head bands (effective immediately – Feb 07).
